Dear Resident

**Re: Planned improvement works to neighbouring properties**

In partnership with Equans, the Council will be carrying out works on neighbouring Council properties in your area; these works will include erecting scaffolding, installing external wall insulation, new roofs, windows and doors.

Work will begin summer 2023 to be completed by autumn 2025 (weather permitting). Each property will take approximately 14 weeks to complete.

Whilst every measure will be taken to minimise disruption, due to the nature of the works there will be some level of noise and disruption to the neighbouring properties during working hours. The site working hours are 7.30am to 4pm during the week (finishing 3pm Friday). We appreciate your co-operation in this matter and apologise for any inconvenience this may cause.

You are invited to attend our information events with the Council's appointed Contractor, Equans, to find out more.

Venue: **Bodmin Road Church, Padstow Close, HU7 4HE**

Date: **Tuesday 4 July**

Time: **2pm – 7pm**

If you are unable to attend, please call or email us using the details at the top of this letter with any questions or concerns you may have.

Yours sincerely

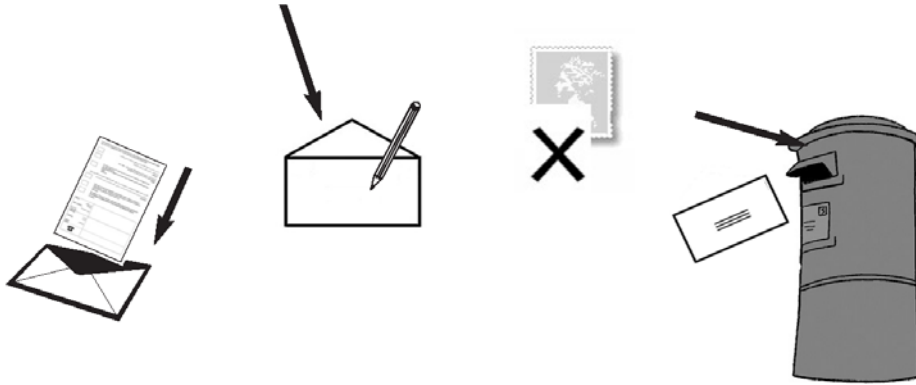

**Ben Hanson**

Head of Strategy, Market Intervention and Growth
