Dear Resident

Re: Planned external improvement works to neighbouring properties

In partnership with Fortem, the Council will be carrying out works on neighbouring Council properties in your area; these works will include erecting scaffolding, installing external wall insulation, roof works and new windows and doors.

Work will begin summer 2023 and will be completed by summer 2024 (weather permitting). Each property will take approximately 14 weeks to complete.

Whilst every measure will be taken to minimise disruption, due to the nature of the works there will be some level of noise and disruption to the neighbouring properties during working hours. The site working hours are 8am to 5pm Monday to Friday. We appreciate your co-operation in this matter and apologise for any inconvenience this may cause.

You are invited to attend our information event with the Council's appointed Contractor, Fortem, to understand the details of the works and discuss any concerns you may have.
