| <b>STREAM A: Children who have not been attending school regularly</b>   |                                   |  |                             |
|--|-----------------------------------|--|-----------------------------|
| <i>Reason</i>  | <i>Reason Code</i>                | <i>Outcome</i>   | <i>Outcome Code</i>         |
| <b>a)</b> Persistent unauthorised absence from school equivalent to 10% or more across the last 3 consecutive school terms.<br>or At least 3 fixed term exclusions in the last 3 consecutive school terms.<br>or Permanent exclusion in the last 3 consecutive school terms.<br>or Alternate provision due to behavioural problems.<br>or A child who has been referred as having school attendance problems (which may relate to authorised absence) of equivalent concern to the indicators above. | EDUA1A - Persistent Absence       | <b>A1</b><br><br>All school age children in the family have less than 10% unauthorised absence from school or a pupil referral unit over an average of three consecutive terms, with no more than 2 fixed term and no permanent exclusions in that time.<br><br>Where children in the family have at least 20% School or PRU attendance (including authorised absence), those children have achieved a minimum 40% point increase in attendance (including authorised absence) over an average of 3 consecutive terms of the available school or PRU time with no more than 2 fixed term and no permanent exclusions in that time. | EDUA1A - School attendance  |
|  | EDUA1B - FTE 3 Terms              |  | EDUA1G - School Progress    |
|  | EDUA1C - Permanent Exclusion      |  |                             |
|  | EDUA1D - PRU                      |  |                             |
|  | EDUA1E - Education Concern        |  |                             |
| <b>b)</b> A young person aged 16-18 who previously had less than 90% attendance who is now at risk of NEET.  | EDUA1F - 16-18 Persistent Absence | <b>A2</b> Young person is enrolled and attending college for 13 weeks.   | EDUA1F - 16-18 attending FE |

| <b>STREAM B: Parents &amp; young people involved in crime or anti-social behaviour</b>   |                                   |   |  |
|--|-----------------------------------|---|--|
| <i>Reason</i>  | <i>Reason Code</i>                | <i>Outcome</i>  | <i>Outcome Code</i>                      |
| <b>a)</b> A young person who has committed a proven offence in the last 12 months.   | CRIB1A - Young Person Offence     | <b>B1</b> No further recorded offences in the last six months.  | CRIB1A - No offences 6 months            |
| <b>b)</b> A family member has received an Anti-Social Behaviour (ASB) intervention or Acceptable Behaviour Contract (ABC) in the last 12 months.         | CRIB1B - ASB Intervention         | <b>B2</b> No further ASB intervention within a six month period or completion of ABC.                                   | CRIB1B - ASB/ABC intervention maintained |
| <b>c)</b> An adult prisoner who is less than 12 months from his / her release date and will have parenting responsibilities on release.                  | CRIB1C - Adult Prisoner           | <b>B3</b> No reoffending within six months of release from prison.  | CRIB1C - No further offending 6 months   |
| <b>d)</b> An adult who is currently subject to a license, supervision or community order following release from prison and has parenting responsibility. | CRIB1D - Adult Licence/Order      | <b>B4</b> Successful completion of community order, suspended sentence order, license and/or post sentence supervision. | CRIB1D - Successful Completion           |
| <b>f)</b> Family members at risk of ASB, intimidation, harassment or equivalent concern to indicators above.   | CRIB1E - Equivalent Crime Concern | <b>B5</b> Professionals no longer have concerns about a family member(s) potential crime problem.                       | CRIB1E - No Further Concerns             |

| <b>STREAM C: Adults out of work or at risk of financial exclusion and young people at risk of worklessness</b>  |                               |   |                               |
|---|-------------------------------|---|-------------------------------|
| <i>Reason</i>   | <i>Reason Code</i>            | <i>Outcome</i>  | <i>Outcome Code</i>           |
| <b>a)</b> Claiming out-of-work benefits.<br>(This does not include: lone parents in receipt of income support with a child under 2 (an out of work benefits inclusion will be added to the family once the child is 2 years of age); <u>or</u> : family members in the support group for ESA who have been assessed by the TFEA as unfit for work due to ill health.) | WORC1A - Out of Work Benefits | <b>C1</b> 13 weeks consecutive employment (if on ESA).  | WORC1F - 13 weeks employment  |
|   |                               | or 26 (out of 30) weeks consecutive employment (if on JSA).   | WORC1G - 26 weeks employment  |
|   |                               | or An unemployed family member makes positive progress towards work (as set out in the Progress to Work Schedule; Appendix A).  | WORC1A - Progress to work     |
| <b>b)</b> A young person who is about to leave school, has no/few qualifications and no planned education, training or employment.<br>or A young person who is not in education, training or employment (NEET).   | WORC1C - NEET                 | <b>C2</b> 16 to 18 year olds have progressed into education, employment or training and have stayed there for a minimum of 13 weeks.  | WORC1C - Neet Progression     |
|   |                               | or The young person has made some other positive progress towards securing employment (as set out in the Progress to Work Schedule; Appendix A).  |                               |
| <b>c)</b> Families and vulnerable expectant parents identified by professionals as being at significant risk of poverty or financial exclusion. This includes families with Priority debt (Rent/Council tax arrears).   | WORC1D - Financial Exclusion  | <b>C3</b> Family engaged in financial and debt support planning with agency or support worker; and/or accessing appropriate grants and allowances.<br>or Family has achieved a 2 point improvement on the 'home and money arm' of the family star plus. | WORC1D - Financial Management |

| <b>STREAM D: Families affected by Domestic Violence and Abuse</b>  |                                  |   |                                  |
|--|----------------------------------|---|----------------------------------|
| <i>Reason</i>  | <i>Reason Code</i>               | <i>Outcome</i>  | <i>Outcome Code</i>              |
| <b>a)</b> A family member known to local services has experienced or is currently experiencing DVA.                      | DVAD1A - At Risk/Experienced DVA | <b>D1</b> Increased safety for family demonstrated using one of the following measures:<br>* If Safeguarding became involved with the family due to Domestic violence and abuse, a CP or CiN case closure would also provide evidence of significant progress made by the family. | DVAD1D - No further safeguarding |
|  |                                  | * No further reported violence which reflects no further violence has occurred for 6 months from the last recorded incident.  | DVAD1C - No repeat DV            |
| <b>b)</b> A household has been subject to a police call out for at least one domestic incident in the last 12 months.    | DVAD1C - DVA Call Out            |   |                                  |
| <b>c)</b> A family member who is known to local services as having perpetrated an incident of DVA in the last 12 months. | DVAD1B - DVA Perpetrator         | <b>D2</b> DV perpetrator engages with appropriate support service/programme.  | DVAD1B - Perp engage             |

| <b>STREAM E: Children who need help</b>  |                                  |   |                               |
|--|----------------------------------|---|-------------------------------|
| <b>Reason</b>  | <b>Reason Code</b>               | <b>Outcome</b>  | <b>Outcome Code</b>           |
| a) A family who has been identified as needing help support.   | CHIE1A - Early Help              | <b>E1</b> Family accepts and engages with early help support and there are no repeat referrals to Safeguarding within 6 months of the last referral.  | CHIE1A – EH closed            |
| b) A child in need under section 17 of The Childrens Act.  | CHIE1B - Child in Need           | <b>E2</b> The child in need case is closed or stepped through to early help and there are no repeat referral to safeguarding within 6 months of case closure.   | CHIE1B – CIN closed           |
| c) A child who has been subject to a child protection plan or a section 47 enquiry.  | CHIE1C - CPP                     | <b>E3</b> At conclusion of the child protection plan the child will be considered as a child in need of services. Success will be measured by no repeat referrals to safeguarding within 6 months of the plan closure. If then child in need follow E2. | CHIE1C – CP closed            |
| d) Two year old is eligible for funding but not accessing.   | CHIE1D - 2yr Provision           | <b>E4</b> Family has applied for funding and two year old is accessing provision for a full term.   | CHIE1D – 2yr accessing        |
| e) A vulnerable young person's behaviour puts them at risk of harm such as child sexual exploitation, missing episodes or online exploitation. | CHIE1E - At Risk of exploitation | <b>E5</b> Young person engages with relevant support services.  | CHIE1E – Exploitation support |

| <b>STREAM F: Parents and children with a range of health problems</b>   |   |  |                                 |
|---|---|--|---------------------------------|
| <b>Reason</b>   | <b>Reason Code</b>                      | <b>Outcome</b>   | <b>Outcome Code</b>             |
| a,i) An Adult family member with emotional and/or mental health difficulties.   | HLTF1A - Adult Emotional or Mental Hlth | <b>F1</b><br>Family member engages in a period of relevant specialist support which could include a programme of support or parenting course to improve their emotional/mental well being.<br>or<br>If mental/emotional health was a reason Safeguarding became involved with the family a CiN or CP case closure would also provide evidence of significant progress made by the family.. | HLTF1A – Support Engaged Adult  |
| a,ii) A Child family member with emotional and/or mental health difficulties.   | HCHA1T - Child Emotional or Mental Hlth |  | HCHA1T –Support Engaged Child   |
| b,i) An Adult family member who has been assessed as having a drug or alcohol problem.  | HLAA1D - Adult Drug or Alcohol Misuse   | <b>F2</b><br>Assessed by professional that the usage of drugs/alcohol has reduced to a safe level. Detailed in the families action plan/child's plan.<br>or<br>If drug/alcohol misuse was the reason Safeguarding became involved with the family, a CP or CiN case closure would also provide evidence of significant progress made by the family.  | HLAA1D – Reduced Usage Adult    |
| b,ii) A Child family member who has been assessed as having a drug or alcohol problem.  | HLCA1T - Child Drug or Alcohol Misuse   |  | HLCA1T – Reduced Usage Child    |
| c) Vulnerable new or expectant parents who have factors associated with poor parenting. This includes targeted pregnancy; family nurse partnership; and children's centres support.   | HLTF1C - New Parent Support             | <b>F3</b><br>New parents are engaging in a programme of support and are meeting the needs of the child. Case is closed to Early Help, targeted support or universal services and help is being accessed appropriately.<br>or<br>Family has achieved a 2 point improvement on the 'your well being' arm of the family star plus.  | HLTF1C – New parent engage      |
| d) A family has been nominated by professionals as having health problems of equivalent concern to the indicators above. This may include unhealthy behaviours resulting in problems like obesity, diabetes or malnutrition, or not attending health appointments | HLTF1D - Equivalent Health Concern      | <b>F4</b><br>Family has achieved a 2 point improvement on the 'physical health' arm of the family star plus.<br>or<br>Professional is satisfied that the family is meeting a level of effectiveness equivalent to this outcome.  | HLTF1D – Health concern support |
| e) A family with emotional difficulties identified by a professional who would benefit from in-depth support through a targeted intervention such as family group conferencing or targeted youth support.   | HLTF1E - Targeted Family Support        | <b>F5</b><br>The family engages in a relevant targeted intervention, such as family group conferencing or targeted youth support, to improve their emotional well-being.   | HLTF1E - Family Support Engaged |
| f) A child or young person within the family is identified by a professional as having SEND requiring specialist keyworker support  | HLT1F - SEND Support                    | <b>F6</b><br>A support package for the family is in place and the professional is satisfied that the family are able to manage the SEND needs of the child or young person   | HLT1F - SEND support engaged    |
