<b>Large events</b>				
Exceptionally large events may give rise to exceptional				
Such events might include major festivals and other events, which often involve the building of substantial temporary structures requiring expert checking by officials and sub-contracted experts. It is considered that where it is proposed that the number of people at any one time attending such a temporary event will exceed 5,000 people, it is appropriate for an additional fee to be charged on an application for a premises licence authorising the event.				
The additional charges should be calculated as shown below.

#### Registration Service

##### Certificate Service

We are able to produce certified copies of registered life events that occurred with the Hull Registration District since 1837. Some certificates are printable direct from the IT system, others require the entry to be retrieved from registers held at the history centre and then either copied or handwritten.
