INVESTORS IN PEOPLE

Tel: 01482 300 300

This section of the bill shows the period for which the Council Tax is due and any discounts, exemptions or Council Tax Reduction that has been awarded.

This section shows which band the property is in, what the charge is, the four charges that make up the final bill, and the percentage and amount of increase from the previous year.

This section shows your current payment details. If you pay by direct debit your new monthly instalments will be shown and your payments will continue automatically from April. If you pay by standing order this section shows a form that you can complete to take to your bank to update your payments for the new payment amount starting in April.

Your Council Tax bill explained

Did you know...

The quickest and easiest way to contact us about your Council Tax is to register for an account online at www.hull.gov.uk/mycounciltax. Once registered you will be able to securely manage your account, view bills and payments, set up and manage Direct Debits, apply for discounts and exemptions. You will just need a few details to register, these are shown on the bill you have just received. We recommend registering now, while your bill is still to hand.

The easiest way to pay your Council Tax is by Direct Debit which can be set up over 10 or 12 months if your first payment starts in April, and on 1st, 7th, 14th, 21st and 28th day of each month. You can do this online by visiting us at www.hull.gov.uk/mycounciltax

Frequently Asked Questions

What does my Council Tax pay for?

As well as providing more than 400 different services to you and your family, including waste management, road maintenance, social care and support, your Council Tax also contributes to the costs of Humberside Police and Humberside Fire and Rescue Service.

For a breakdown of how Council Tax is spent, please see the accompanying booklet, or visit our website at www.hull.gov.uk/counciltaxcharges

Why has Council Tax increased this year?

Most of the Council's funding is provided by the Government. However, we now receive much less money from the Government than in previous years. The Council must legally set a balanced budget to meet its expenditure for the next financial year, and an increase to Council Tax of 4.99% is required to ensure vital services can continue to be provided.

Can I pay by Direct Debit?

Yes, Direct Debit is the easiest way to pay your Council Tax and ensures no payments are missed and no additional costs are incurred, such as when the Council has to take court action to collect missed payments. Request a Direct Debit online safely and securely at www.hull.gov.uk/ctaxwaystopay

Can my Direct Debit be spread over 12 months rather than 10 months?

Yes, the quickest way to make a change to your payments is online at www.hull.gov.uk/mycounciltax

Can I get any help to pay my Council Tax?

Depending on your circumstances, help is available:

- If you are of working age, on a low income and have less than £6,000 in savings or capital, or if you are a pensioner with less than £16,000 in savings or capital, you can apply for a reduction in your Council Tax. To check if you might be eligible, or to make a claim, visit www.hull.gov.uk/counciltaxhelp
- We also offer various Council Tax discounts, disregards and exemptions, for more information please visit www.hull.gov.uk/CTaxdiscountsandexemptions
- We also provide a free budget planner to help you take control of your finances, for more details please visit budgetnew.entitledto.co.uk/hull

Why are my neighbours in a different band to me?

Property bands are based upon a valuation of the property carried out by the Valuation Office Agency. For further information, or if you believe that your Council Tax band is wrong, you can visit the Valuation Office Agency website at www.gov.uk/council-tax-bands

Can I add the outstanding balance from this year onto next year?

No, however, if you are having difficulties paying your bill or any arrears, you can make an arrears payment arrangement by visiting www.hull.gov.uk/counciltaxrecovery
