

Pay Policy for the period 1 April 2023 to 31 March 2024

1. Scope

This policy is a statutory requirement as outlined in Sections 38 - 43 of the Localism Act 2011. The Act requires that the Authority produce a policy statement that covers a number of matters concerning the pay of the Authority's staff, principally Chief Officers.

This policy statement meets the requirements of the Localism Act in this regard and also meets the requirements of guidance issued by the Secretary of State for Levelling Up, Housing and Communities to which the Authority is required to have regard under Section 40 of the Act.

This policy also has some connection with the data on pay and rewards for staff which the Authority publishes under the Code of Recommended Practice for Local Authorities on Data Transparency and the data which is published under The Accounts and Audit (England) Regulations (2011). It should be noted that the requirements to publish data under the Secretary of State guidance, the Code of Practice and the Regulations do differ, the data requirements of the Code of Practice and the Accounts and Audit Regulations are summarised at Annex A to this policy statement.

Pay Policy Statements are prepared to coincide with the budget setting process and approved before the end of the 31 March immediately preceding the financial year to which it relates. The provisions allow an authority to amend its pay policy statement after the beginning of the financial year to which it relates.

This policy statement does not cover or include school staff and is not required to do so.

It is not intended to form part of the contract of employment of any individual employee.

This policy statement covers the following posts:

- a) Chief Executive – Head of the Paid Service (HoPS) and Statutory Chief Officer (SCO)
- b) Directors
 - Director of Children, Young People and Family Services (SCO)
 - Director of Finance, ICT and Transformation (SCO)
 - Director of Public Health (SCO)
 - Director of Regeneration

e) Deputy Chief Officers (Heads of Service)

The Act does not require us to list deputy chief officers, however, guidance states that we should publish the numbers of staff earning over £50,000 per annum. The base salary for a deputy chief officer from 1st April 2023 is £67,605 (subject to any nationally agreed pay award for 2023-2024).

2. Aims

The aims of this policy are to:

- Provide transparency of pay issues with particular regard to those of Senior Officers;
- Ensure that pay policy is applied fairly and reasonably within the means of the Council to pay; and
- Ensure that we are compliant with legislation.

Pay Policy for the period 1 April 2023 to 31 March 2024

3. Roles and Responsibilities

3.1 Head of the Paid Service

To review the pay policy annually, make recommendations as to its application and ensure that it is implemented fairly.

3.2 Council

To authorise the annual pay policy.

4. The Pay Policy

4.1 Policy on Remunerating Chief Officers

The Authority's policy on remunerating Chief Officers is set out on the schedule that is attached to this policy statement at Annex B. It is the policy of this Authority to establish a remuneration package for each Chief Officer post that is sufficient to attract and retain staff with the appropriate skills, knowledge, experience, abilities and qualities that are consistent with the Authority's requirements of the post in question at the relevant time.

Other aspects of Chief Officer remuneration are appropriate to be covered by this policy statement, they are defined as recruitment, pay increases, additions to pay, performance related pay, earn back, bonuses, termination payments, transparency and re-employment when in receipt of an LGPS pension or a redundancy/severance payment. These matters are addressed in the schedule that is attached to this policy statement at Annex C.

4.2 Policy on remunerating the lowest paid in the workforce

The Authority applies Terms and Conditions of employment that have been negotiated and agreed through appropriate collective bargaining mechanisms (national or local) or as a consequence of Authority decisions, these are then incorporated into contracts of employment. The lowest pay point in this Authority is Grade 2, Spinal Column Point (SCP) 2 this relates to an annual salary of £20,441 and can be expressed as an hourly rate of pay of £10.60 (subject to pay award for 2023-2024). This point and salary has been determined by the National Agreement and is applied by the Authority as part of a pay scale for employees employed on Local Government Services Terms and Conditions from 1st April 2022. The pay rate is increased annually in accordance with any pay settlements which are reached through the National Joint Council for Local Government Services.

Pay Policy for the period 1 April 2023 to 31 March 2024

Negotiations on the pay settlement for 2023-2024 have not yet commenced and whilst it is unclear at this stage what the outcome will be, a significant increase at the lower pay scales is anticipated if the government's target for the National Living Wage is to reach two-thirds of median earnings for 2024. The current pay scales are attached at Annex D.

The figures above do not include payments to apprentices who are paid in accordance with the National Minimum Wage. New rates of the National Living Wage (NLW) and National Minimum Wage (NMW) came into force on 1 April 2023, based on recommendations made by the Low Pay Commission (LPC) in October 2021. The rate for Apprentices is now £5.28 per hour.

The minimum wage rates from 1st April 2023 are as follows:

- For workers aged 23 or over £10.42 per hour
- For workers aged 21 to 22 years £10.18 per hour
- For workers aged 18 to 20 years £7.49 per hour
- For workers aged 16 to 17 years £5.28 per hour

4.3 Policy on the relationship between Chief Officer remuneration and that of other staff

The highest paid salary in this Authority for 2023-24 is currently £167,954 which is paid to The Chief Executive. The median salary in this Authority (not including Schools or apprentices) is £27,852. The ratio between the two salaries, the 'pay multiple' is 6.03 to 1.

This Authority does not have a policy on maintaining or reaching a specific 'pay multiple', however the Authority is conscious of the need to ensure that the salary of the highest paid employee is not excessive and is consistent with the needs of the Authority as expressed in this policy statement.

The ratio between Grade 2, SCP 2 staff and the Chief Executive is 8.22 to 1. The ratio between the lowest paid apprentice and the highest paid officer is 16.49 to 1. This is a significantly improved position on last year's figure of 17.89 to 1. This is partly because no pay awards have been made so far this year but in the main because the minimum wage paid to an apprentice has increased by 9.8 per cent.

The Authority's approach to the payment of other staff is to pay that which the Authority needs to pay to recruit and retain staff with the skills, knowledge, experience, abilities and qualities needed for the post in question at the relevant time, and to ensure that the Authority meets any contractual

Pay Policy for the period 1 April 2023 to 31 March 2024

requirements for staff, including the application of any local or national collective agreements, or Authority decisions regarding pay.

4.4 Approval of Salary and Severance Packages in excess of £100k

The Authority will ensure that, at the latest before an offer of appointment is made, any salary package for any post (not including schools) that is in excess of £100k will be considered by Full Council. The salary package will be defined as base salary, any bonuses, fees, routinely payable, allowances and benefits in kind that are due under the contract. The Authority will ensure that any severance package in excess of £100k will be considered by Full Council.

4.5 Flexibility to address recruitment issues for vacant posts

In the vast majority of circumstances, the provisions of this policy will enable the Authority to ensure that it can recruit effectively to any vacant post. There may be exceptional circumstances when there are recruitment difficulties for a particular post and where there is evidence that an element or elements of the remuneration package are not sufficient to secure an effective appointment. This policy statement recognises that this situation may arise in exceptional circumstances and, therefore, a departure from this policy can be implemented without having to seek Full Council approval for a change of the policy statement. Such a departure from this policy will be expressly justified in each case and will be approved through an appropriate Authority decision making route.

5. Total number of staff earning over £50,000 per annum

We currently have a total of 190 staff including the officers above who have a basic salary of over £50,000 per annum (includes part time staff who have the part time equivalent and six who are hosted for the LEP and Coroner's office). A list of job titles in this category is shown at Annex E.

6. Amendments to the policy

This policy statement will be reviewed each year and will be presented to Full Council each year for consideration to ensure that a policy is in place for the Authority prior to the start of each financial year.

This policy was considered and approved by the full Council at the Council meeting which took place onXXXX .

For the above, remuneration is to include:
