

1. Scope

This policy is a statutory requirement as outlined in Sections 38 - 43 of the Localism Act 2011. The Act requires that the Authority produce a policy statement that covers a number of matters concerning the pay of the Authority's staff, principally Chief Officers.

This policy statement meets the requirements of the Localism Act in this regard and also meets the requirements of guidance issued by the Secretary of State for Levelling Up, Housing and Communities to which the Authority is required to have regard under Section 40 of the Act.

This policy also has some connection with the data on pay and rewards for staff which the Authority publishes under the Code of Recommended Practice for Local Authorities on Data Transparency and the data which is published under The Accounts and Audit (England) Regulations (2011). It should be noted that the requirements to publish data under the Secretary of State guidance, the Code of Practice and the Regulations do differ, the data requirements of the Code of Practice and the Accounts and Audit Regulations are summarised at Annex A to this policy statement.

Pay Policy Statements are prepared to coincide with the budget setting process and approved before the end of the March immediately preceding the financial year to which it relates. The provisions allow an authority to amend its pay policy statement after the beginning of the financial year to which it relates.

This policy statement does not cover or include school staff and is not required to do so.

It is not intended to form part of the contract of employment of any individual employee.

This policy statement covers the following posts:

- a) Chief Executive Head of the Paid Service (HoPS) and Statutory Chief Officer (SCO)
- b) Directors

Director of Children, Young People and Family Services (SCO) Director of Finance, ICT and Transformation (SCO) Director of Public Health (SCO) Executive Director of Regeneration Director of Legal Services and Partnerships (SCO)

Pay Policy for the period 1 April 2025 to 31 March 2026

c) Statutory Chief Officers - In addition to the above:

Statutory Director of Adult Social Care

d) Non-statutory Chief Officers (Assistant Directors)

Assistant Director Finance and Transformation Assistant Director Neighbourhoods and Housing Assistant Director Safeguarding Assistant Director City Safe Assistant Director Economic Development and Regeneration Assistant Director Property and Assets Assistant Director Organisation Development and Human Resources Assistant Director Streetscene Assistant Director Major Projects and Infrastructure Assistant Director Learning and Skills Assistant Director Digital and ICT Assistant Director Public Health Assistant Director Legal and Governance

e) Deputy Chief Officers (Heads of Service)

The Act does not require us to list deputy chief officers, however, guidance states that we should publish the numbers of staff earning over £50,000 per annum. The base salary for a deputy chief officer from 1^{st} April 2024 is £71,984, pay award pending for 2025/26.

2. Aims

The aims of this policy are to:

- Provide transparency of pay issues with particular regard to those of Senior Officers;
- Ensure that pay policy is applied fairly and reasonably within the means of the Council to pay; and
- Ensure that we are compliant with legislation.

Pay Policy for the period 1 April 2025 to 31 March 2026

3. Roles and Responsibilities

3.1 Head of the Paid Service

To review the pay policy annually, make recommendations as to its application and ensure that it is implemented fairly.

3.2 Council

To authorise the annual pay policy.

4. The Pay Policy

4.1 Policy on Remunerating Chief Officers

The Authority's policy on remunerating Chief Officers is set out on the schedule that is attached to this policy statement at Annex B. It is the policy of this Authority to establish a remuneration package for each Chief Officer post that is sufficient to attract and retain staff with the appropriate skills, knowledge, experience, abilities and qualities that are consistent with the Authority's requirements of the post in question at the relevant time.

Other aspects of Chief Officer remuneration are appropriate to be covered by this policy statement, they are defined as recruitment, pay increases, additions to pay, performance related pay, earn back, bonuses, termination payments, transparency and re-employment when in receipt of an LGPS pension or a redundancy/severance payment. These matters are addressed in the schedule that is attached to this policy statement at Annex C.

4.2 Policy on remunerating the lowest paid in the workforce

The Authority applies Terms and Conditions of employment that have been negotiated and agreed through appropriate collective bargaining mechanisms (national or local) or as a consequence of Authority decisions, these are then incorporated into contracts of employment. The lowest pay point in this Authority is Grade 2, Spinal Column Point (SCP) 2 this relates to an annual salary of £23,656 and can be expressed as an hourly rate of pay of £12.26. This point and salary has been determined by the National Agreement and is applied by the Authority as part of a pay scale for employees employed on Local Government Services Terms and Conditions from 1st April 2024. The pay rate is increased annually in accordance with any pay settlements which are reached through the National Joint Council for Local Government Services.

The figures above do not include payments to apprentices who are paid in accordance with the National Minimum Wage. New rates of the National Living Wage (NLW) and National Minimum Wage (NMW) came into force on 1 April 2024, based on recommendations made by the Low Pay Commission (LPC) in October 2021. The rate for Apprentices is now £7.55 per hour.

The minimum wage rates from 1st April 2025 are as follows:

- For workers aged 21 or over £12.21 per hour
- For workers aged 18 to 20 years £10.00 per hour
- For workers aged 16 to 17 years £7.55 per hour

4.3 Policy on the relationship between Chief Officer remuneration and that of other staff

The highest paid salary in this Authority for 2025-26 is currently £178,178 which is paid to The Chief Executive. The median salary in this Authority (not including Schools or apprentices) is £31,067. The ratio between the two salaries, the 'pay multiple' is 5.74 to 1.

This Authority does not have a policy on maintaining or reaching a specific 'pay multiple', however the Authority is conscious of the need to ensure that the salary of the highest paid employee is not excessive and is consistent with the needs of the Authority as expressed in this policy statement.

The ratio between Grade 2, SCP 2 staff and the Chief Executive is 7.53 to 1 which is a reduction on the previous year's figure of 7.77 to 1. The ratio between the lowest paid apprentice and the highest paid officer is 12.23 to 1. This is a significantly improved position on last year's figure of 14.08 to 1. The main reason is the minimum wage paid to an apprentice has increased by 18 per cent.

The Authority's approach to the payment of other staff is to pay that which the Authority needs to pay to recruit and retain staff with the skills, knowledge, experience, abilities and qualities needed for the post in question at the relevant time, and to ensure that the Authority meets any contractual requirements for staff, including the application of any local or national collective agreements, or Authority decisions regarding pay.

4.4 Approval of Salary and Severance Packages in excess of £100k

The Authority will ensure that, at the latest before an offer of appointment is made, any salary package for any post (not including schools) that is in excess of £100k will be considered by Full Council. The salary package will be defined as base salary, any bonuses, fees, routinely payable, allowances and benefits in kind that are due under the contract. The Authority will ensure that any severance package in excess of £100k will be considered by Full Council.

4.5 Flexibility to address recruitment issues for vacant posts

In the vast majority of circumstances, the provisions of this policy will enable the Authority to ensure that it can recruit effectively to any vacant post. There may be exceptional circumstances when there are recruitment difficulties for a particular post and where there is evidence that an element or elements of the remuneration package are not sufficient to secure an effective appointment. This policy statement recognises that this situation may arise in exceptional circumstances and, therefore, a departure from this policy can be implemented without having to seek Full Council approval for a change of the policy statement. Such a departure from this policy will be expressly justified in each case and will be approved through an appropriate Authority decision making route.

5. Total number of staff earning over £50,000 per annum

We currently have a total of 389 staff including the officers above who have a basic salary of over £50,000 per annum, including pro-rata part-time staff, and a small number who are hosted for the Coroner's office. A list of job titles in this category is shown at Annex E.

6. Amendments to the policy

This policy statement will be reviewed each year and will be presented to Full Council each year for consideration to ensure that a policy is in place for the Authority prior to the start of each financial year.

This policy was considered and approved by the full Council at the Council meeting which took place on 15th May 2025.

The following policy documents apply to these posts and can be requested from Human Resources – the Guildhall, Alfred Gelder Street, Hull HU1 2AA

The Accounts and Audit Regulations 2015 require that the following data is included in the authority's accounts:

- Numbers of employees with a salary above £50,000 per annum (prorata for part-time staff) in multiples of £5,000
- Job title, remuneration and employer pension contributions for Senior Officers. Senior Officers are defined as Head of Paid Service, Statutory Chief Officers and Non-Statutory Chief Officers by reference to Section 2 of the 1989 Local Government & Housing Act: and
- Names of employees paid over £150k per annum.

For the above, remuneration is to include:

- Bonuses paid or receivable for the current and previous year
- Expenses paid in the previous year
- Compensation for loss of employment paid to or receivable, or payments made in connection with loss of employment; and
- Total estimated value of non-cash benefits that are emoluments of the person.

For the above pension contributions to include:

- The amount driven by the Authority's set employer contribution rate; and
- Employer costs incurred relating to any increased membership or award of additional pension.

The Secretary of State's Code of Recommended Practice for Local Authorities on Data Transparency indicates that local authorities should also publish the following data concerning staff:

A link on the website to the information outlined above together with a list of responsibilities e.g., services and functions, budget held and number of staff details of any bonus and benefits in kind for all employee's whose salary exceeds £50,000.

Pay Policy Statement – Annex C

Aspect of Chief Officer	Authority Policy
Remuneration	
Recruitment	The post will be advertised and appointed to at the appropriate approved salary for the post level unless there is good evidence that a successful appointment of a person with the required skills, knowledge, experience, abilities, and qualities cannot be made without varying the remuneration package. In such circumstances a variation to the remuneration package is appropriate under the authority's policy and any variation will be approved through the appropriate authority decision making process.
Pay Increases	The authority will apply any pay increases that are agreed by relevant national negotiating bodies and/or any pay increases that are agreed through local negotiations. The authority will also apply any pay increases that are as a result of authority decisions to significantly increase the duties and responsibilities of the post in question beyond the normal flexing of duties and responsibilities that are expected in senior posts in accordance with the job re-grading policy.
Additions To Pay	The authority would not make additional payments beyond those specified in the contract of employment or in accordance with collective agreements, policies, and procedures.
Performance Related Pay	The authority does not operate a blanket performance related pay policy. Performance management arrangements are in place to ensure high performance from senior officers. Any areas of under-performance are addressed by using the relevant policy.
Earn-Back (Withholding an element of base pay related to performance)	The authority does not operate an earn-back pay system. Performance management arrangements are in place to ensure high performance from its senior officers. Any areas of under-performance are addressed using the relevant policy
Bonuses	The authority does not have a policy to pay bonus payments.
Termination Payments	The authority applies its normal early termination policy to senior officers and does not have separate provisions for Senior Officers. The authority also applies the

	appropriate Pensions regulations when they apply. The authority has policies in place on how it will apply any discretionary powers it has under Pensions regulations. Any costs that are incurred by the authority regarding Senior Officers are published in the authority accounts as required under the Accounts and Audit Regulations 2015. The authority reserves the right to enter into compromise agreements with any staff where there are circumstances that may lead to legal action the costs of which may be avoided by entering such an agreement. Termination payments may be limited by legislation, where this is the case, the Council will comply with that legislation.
Transparency	The authority meets its requirements under the Localism Act, the Code of Practice on Data Transparency and the Accounts and Audit Regulations to ensure that it is open and transparent regarding senior officer remuneration. Senior Officers are named in the published organisation chart.
Re-employment of staff in receipt of an LGPS Pension or a redundancy/severance payment	The authority is under a statutory duty to appoint on merit and must ensure that it complies with all appropriate employment and equalities legislation. The authority will always seek to appoint the best available candidate to a post who has the skills, knowledge, experience, abilities, and qualities needed for the post. The authority will, therefore, consider all applications for candidates to try to ensure the best available candidate is appointed. If a candidate is a former employee in receipt of an LGPS pension or a redundancy payment this will not rule them out from being re-employed by the authority. Where a former employee left the authority on redundancy terms then the old post has been deleted and the individual cannot return to the post as it will not exist. The authority will apply the provisions of the Redundancy Payments Modification Order or any other legislation in force at the time regarding the recovery of redundancy payments if this is relevant. Pensions Regulations also have provisions to reduce pension payments in certain circumstances to those who return to work within the local government service. Where an employee has left the service under the early termination voluntary scheme then they are not eligible for re-employment in accordance with the period laid out in the policy.
