

Resident and visitor digital permits

Resident and visitor digital parking permits are valid for use in resident parking zones throughout the city of Hull where parking is signposted as resident or shared use parking only.

To qualify for either a resident or visitor digital parking permit your address must be located in a resident parking zone ([link to the list of controlled zones](#)).

Your eligibility will be confirmed through the application process by entering your property address.

- The number of digital resident parking permits allowed per property is unlimited
- Current permit prices are displayed on MiPermit
- The number of digital visitor permits allowed per property is variable dependent on the zone

How to apply for a resident digital permit

Visit Buy Digital Permits page on MiPermit via the link below –
