

# Beverley and Newland News

**Ward news** - information about your neighbourhood and community

## Pocket Park

We are pleased to announce that, as part of the second round of Hull City Council's pocket park scheme, a new local pocket park in the ward has been installed.

It has been designed in conjunction with the Strathmore, Silverdale, Riversdale neighbourhood network. For the foreseeable future the community group will be holding planting sessions on Friday afternoons after 1pm.

Everyone is welcome to help transform this small area on the north of Oak Road Playing Fields into a sensory community garden showcasing an array of greenery.

We can't wait to see the transformation.

## Men in Sheds

Are you sprucing up your garden this summer? Men in Sheds may be the perfect place to get some new garden furniture.

Men in Sheds is a charity fighting isolation and loneliness by providing a space for its members to socialise and make friends whilst developing skills in woodworking and even 3D printing.

Any purchases help to support their amazing work. Some of their products available to purchase include bird boxes and tables and garden benches.

They are located at The Pavilion, Oak Road Playing Fields, 786 Beverley Road, HU6 7EY, or you can contact them on 01482 803 700 for more information.

# Healthy Holidays at Oak Road Playing Fields

Over the summer holidays there will be a range of activities happening at Oak Road Playing Fields off Beresford Avenue.

This will be great opportunity for children from the local community to try something brand new for free.

## healthy holidays hull

On 30 July and the 27 August, unleash your wild side with **Northern Wildlings**. Qualified coaches will be teaching bushcraft skills and archery, and there'll also be a climbing wall to conquer. Free food is provided.

Booking is essential and can be made by visiting [NorthernWildlings.com](http://NorthernWildlings.com) and navigating to the Healthy Holidays tab to reserve your spot.

A green poster for 'Healthy Holidays Free Activities' by Northern Wildlings. The poster features a central logo with a wolf's head and the text 'NORTHERN WILDINGS'. Below the logo, it says 'HEALTHY HOLIDAYS FREE ACTIVITIES'. The poster includes several photos: a child archery, a group of children, a child climbing a rock wall, and a group of children sitting on the ground. The text on the poster includes: 'Survival and Bushcraft skills, outdoor play, go wild!!', 'Rock climbing tower Archery Survival skills', 'Bushcraft skills Fire-lighting, Archery,', '30th July at Oak Rd Playing Fields off Beverley Rd', and 'Book online – NorthernWildlings.com Go to the Healthy Holidays page and Bookings button'.

**Hull and District Anglers Association** are holding weekly fishing sessions at the pond every Wednesday from the 23 July, throughout the summer holidays from 10am - 1pm.

The pond can be found just behind the park. All equipment and bait will be included, and no booking is required so just turn up.

If you have a pop-up chair, please feel free to bring this as seats are limited.

**Active Sports** will be hosting skateboarding sessions at the skatepark on the 24 July, 5 August, 14 August and 26 August.

All sessions will run from 10am - 12noon. Free food and refreshments are on offer too.

Booking is necessary which you can do so online at <https://forms.gle/3gospNkDSLv4EBux7>

Everyone is welcome – beginners and experts alike.

# Ward Forums

Beverley and Newland ward councillors, neighbourhood police team, your neighbourhood co-ordinator, and Love Your Street will be at Oasis Hub Hull, 310 Newland Avenue HU5 2NB for a number of multi-agency ward forums.

Here, you can meet your local representatives and discuss the issues that affect you in your local area as, working together, we can make a difference.

**Wednesday 15 October 4 - 5pm / Wednesday 3 December 4 - 5pm / Wednesday 11 March 4 - 5pm**

## Riverside Community Centre

Hull City Council supports a number of community centres across the city, including Riverside Community Centre, located off Parkstone Road. The centre hosts a wide variety of regular activities.

If you're looking for Ofsted-approved childcare provision from Monday to Friday, there's both Parkstone Pre-School, offering a warm and welcoming environment for children, and Parkstone Kids Club, a before and after school club.

Other regular activities include a coffee drop-in every Thursday between 1 - 2.30pm. Whether you've got children to care for or are retired and looking for some company, everyone is welcome.

The centre is also available for hire on a one-off or regular basis.

To see if Riverside Community Centre could host your group or event, or for more information, call 01482 804 312 or email [riverside2@riverside2.karoo.co.uk](mailto:riverside2@riverside2.karoo.co.uk).

Visit <https://www.hull.gov.uk/Communitycentreshull/community-centres> to see the full timetable of events and activities.

## Neighbourhood Police cycle marking

On Tuesday 12 August from 1pm we will be holding a bike marking event outside the Oasis Hub, Newland Avenue.

Bring your bike and the police team will register it for free. There will also be free bike safety items including lights, high-vis bags and puncture repair kits thanks to the ward budget.

## No-Dig Community Allotment

The No-Dig Community Allotment, based at Clough Road Allotments HU6 7PE, has recently been awarded ward budget funding to support its mission of becoming self-sufficient in water, helping to combat climate change while growing chemical-free food. The funding will go towards purchasing water butts, installing guttering, and repairing the roofs on some of their sheds.

The sessions, held every Tuesday from 10.30am - 1pm and Sunday from 1 - 4pm, are open to everyone, whether you're a seasoned grower or gardener, have never grown food before and don't know where to start, or simply want to spend time outdoors and meet new people. For more information, you can email them at [admin@ndca.co.uk](mailto:admin@ndca.co.uk).

# Hull Action for neighbourhood defibrillators

Cardiac arrests can happen to anyone at any time and action taken in the first few minutes afterwards can make a huge difference to a person's chances of survival. In Hull, the HANDS (Hull Action for Neighbourhood Defibrillators) Partnership is seeking support to develop the network of 24/7 community accessible Automated External Defibrillators (AED) throughout our city for anyone to access in a life-or-death situation.

## How do they work?

Modern defibrillators are simple and safe to operate and use. Once attached, the defibrillator automatically analyses the individual's heart rhythm and, if required, applies a shock to restart it or will advise that CPR should be continued. You cannot harm an individual by using a defib, as the machine will not issue an electric shock if a heartbeat is detected. All AED units will provide clear step by step instructions on what you need to do to help save the life of someone in cardiac arrest.

The HANDS Partnership seeks the support of local business to plug the gaps, giving communities access to this vitally important equipment. The Partnership consists of Hull City Council, Yorkshire Ambulance Service, Help for Health, Humberside Fire & Rescue Solutions, The Oliver King Foundation and Connexin.

- do you currently have a defibrillator within your premises? Would you be willing to relocate this to a secure external cabinet that could be accessed 24/7 by ALL? If so, the partnership would like to hear from you
- would you be willing to locate/install a defibrillator at your premise? If yes, the partnership would like to hear from you
- if you have a defibrillator, is it registered on 'The Circuit': the national defibrillator network database? If not, please go to <https://www.thecircuit.uk/> to register the unit.

## What are the responsibilities for hosting a defibrillator?

In agreeing to being a Guardian of a 24/7 defibrillator, you would commit to:

- installing a defibrillator in an external cabinet unit in a 24/7 community accessible location on the premises
- provide a permanent connection to a 240v supply to provide power to the external cabinet unit. Power supply for heating the Cabinet generally uses around £10 of electricity a year
- registering the cabinet/defibrillator with the 'The Circuit' – the national defibrillator network database ([www.thecircuit.uk](http://www.thecircuit.uk))
- as the Guardian of the unit, be the named contact with YAS, reporting at the earliest opportunity, if the unit is off-line or unavailable for use
- conduct a weekly visual examination of the cabinet and defibrillator to ensure all is in working order
- undertake and organise (as required) training in the use and maintenance of the unit.

You can submit an expression of interest at <https://www.hull.gov.uk/community-safety/hull-action-neighbourhood-defibrillators> or email [northern.areateam@hullcc.gov.uk](mailto:northern.areateam@hullcc.gov.uk) for more information.

.....  
This document can be made available in other formats (large print, audio and Braille) and different community languages. Please telephone 01482 300 300.
