Dear

**Re: Perry Street, Ruskin Street and Conway Close Improvements**

I am writing to provide you with an update regarding the Perry Street, Ruskin Street and Conway Close External Solid Wall Insulation and Frontage Improvement Scheme in light of the current situation with COVID-19 (corona virus).

The Government's measures to limit the spread of COVID-19 are affecting many areas of all our lives and the situation is developing and changing on a daily basis. Hull City Council, in agreement with Engie (the contractor), have made the decision to postpone the scheme for an initial period of 3 months under the current circumstances.

The Council will continue to work closely with Engie throughout this period to monitor the situation and we will contact residents and property owners when we are able to confirm a new start date.

If you would like any further information regarding this, please contact the Energy Efficiency and Regeneration Team on 01482 616156 / 01482 615546.

We thank you for your patience during what is an unprecedented and rapidly evolving situation.

Yours sincerely

Nicholas Harné  
**Head of Strategy, Market Intervention and Growth**
